

It's a fitness centre, spa, clubhouse and more!

Admiral's Walk offers a complete menu of recreational facilities, including a spa, fitness room, and indoor pool, a landscaped sun deck, and a billiards game room.

For entertainment purposes, there's also a theatre room, an internet-ready business centre, a party room, and a lounge.

Admiral's Walk is your own exclusive recreational haven. The social director will arrange a variety of social and recreational activities, and the clubhouse will be a vibrant and fun place to be at the heart of the Port of Newcastle community. It's where everything happens, and membership is included with every condominium.
